

# 2nd SEMM PhD Retreat 17-18 November 2026 Loano2Village, Loano (IT)

## Tax-deductible charitable contribution (Erogazioni liberali)

The Fondazione SEMM ETS (a third sector entity), organizer of the retreat, is a non-commercial organization duly registered in the Italian RUNTS (Registro Unico Nazionale del Terzo Settore).

We would therefore like to offer you the option of treating **your contribution as a tax-deductible charitable contribution**. Under Italian law, such contributions are deductible—up to 10% of total declared income—for individuals and companies based in Italy (Article 83, paragraph 2 of Legislative Decree No. 117/2017).

In this case, **no sponsorship agreement** will be required.

We will ask you to **provide your billing address and tax identification number and/or VAT number**.

**A letter of acknowledgment** will follow, indicating the amount to be transferred, the bank details for the wire transfer, and a description of the agreed terms.

As soon as the SEMM administration receives the transfer, **a receipt will be issued**.

As a token of our appreciation for any tax-deductible charitable contribution you may make, the SEMM ETS Foundation offers the items listed below. We are, of course, happy to discuss alternative options based on your company's specific requirements.
